

State Budget Questions for Organizations

When sharing your organization's story, please include the following details:

1. How many state dollars were cut from your program? Where do those monies normally come from in the state budget?
2. What does that cut mean in terms of number of children, youth, and families that you will no longer be able to serve?
3. What does that cut mean in terms of internal capacity (staffing, programmatic pieces, etc.) that you will have to cut?
4. What implications does the decreased service you will be able to provide have for the community? (Short or long term)
5. What are some of the outcome successes currently associated with the programs being cut?
6. Please share a story of an individual that will be affected by these cuts.
